The Billiard Match.

New York, January 25,-The inter-national billiard match, 14-inch balke-line, 3,000 points up, 600 points per night for a stake of \$5,000, between Jacob Shaefer and Maurice Vignaux the oan's admirably, and followed them of the county als his wonderful masse shots amidst or apturous applause of the crowd, until the footed up 100 points. By this time of the county of the crowd, and of the county of the cou

for the past week. On Sunday a portion of the city proper, comprising about one-fifth of its area, as covered with water. Little damage, however, ensued. The business portion of the city is not affected in any way.

Larat — The Moss tract, comprising about 3,000 acres of wheat, was flooded by the giving way of a flood gate. The damage is estimated at about \$75,000. Phe water about Roberts' Island, which is protected by levees, rose nine feet above the event of the land: the pressure was too much for the levees to withstand and a break occurred, through which the water rushed and soon converted 15,000 acres of wheat and orchards into a miniature lake. The damage here is estimated at \$350,000. Roberts Island is divided into three divisions, with cross levees. The break occurred in the middle division. Fears are now entertained that the cross levees, which divide the upper and lower portion from the middle section, may give way, if the middle section, may give way, if the middle section is not soon repaired. There is little hope of atopping the break for a week, though the most stremmous efforts are being made to do so.

It this time to measure the worth to the most serious charges brought to the late Vice-President. The bears States in this emergency felt in the states in the because and overflowing sympathy sorrow at the becausement of their sorrow at the becausement of their states in the bears of the states of the states in the chinese could be brought from the chinese could be br country of a great character like against United States consul Green-Comma to Samoa and utrained with ce-thicates there which would permit them to enter the United States. Eac Chinaman was to be charged \$100 an the amount was to be equally divide netween Ah See and Greenhaum.

NAPLES, January 25.-Thirty forgers have been arrested in Catania, Palermo as decreased. "Hendricks," he said, and Cagliari, and a number of presses beart and soul a Democrat. He and forced notes, to the amount of 10,000,000 lire, have been seized.

FORTY-NINTH CONGRESS.

WASHINGTON, January 26.—This being the day appointed for Senate addresses in memory of the late Vice-President Hendricks, the galleries of the Senate began to fill at an early hour. When, therefore, at noon, Sherman called the Senate to order, all seats in the galler-

senate to order, all seats in the gallerless were occupied, a larger proportion
of the occupants being ladies.
The Chair laid before the Senate a
letter from the Secretary of the Treaury, relating to the payment of salaries
of collectors of customs not confirmed
by the Senate.
Voorhees then called up his resolution
expressive of the Senate'- deep sense of

Voorhees then called up his resolution expressive of the Senate deep sense of public loss in the death of the late Vice-President. Voorhees delivered a glowing eulogy of the private and public career of the deceased. After hearing speeches of Messrs. Voorhees, Hampton, Sherman, Saulabary, Evarts, Ransom, Spooner, Vest and Harrison, the Senate adopted a commemorative resolution, and the Senate adjourned.

HOUSE.

Washington, January 26.—Pursuant to an order of the House, made yester-day, the Speaker proceeded to call the States under which call the following bills and resolutions were introduced and referred:

By Morrow-To establish life saving stations on the northern and southern shores of the entrance to San Francisco

of the city proper, comprising about one-fifth of its area. As covered with water. Little damage, however, ensued. The business portion of the city is not affected in any way.

Larar — The Mose tract, comprising about 3,000 acres of wheat, was flooded by the gaving way of a flood gate. The damage is estimated at about \$75,000.

The water about Robert's I sland, which is protected by levees, rose nine feet above the seyet of the land; the pressure was too much for the levees to withstand and a break occurred, through which the water rushed and soon converted 13,000 acres of wheat and orchards into a ministure lake. The damage is estimated at \$350,000.

Roberts Island is divided into three divisions, with cross levees. The break occurred in the middle division. Fears are now entertained that the cross levees, which divide this upper and lower portion from the middle section, may give way, if the middle section is not soon repaired. There is little hope of atopping the break for a week, though the most strenuous efforts are being made to do so.

Serious Trouble in Frospective.

Sax Francisco, January 28.—The recent murder of Mr. and Mrs. Jesse C. Wickee sham, near Cloverdile, Senoma County, by their Chinese cook, has again thoroughly aroused the antiaws and leave the officers to work for

the trial to day, moved that the judge Saw FRANCISCO, January 26 .- One of instruct the jury to render a verdict of instruct the jury to render a vertice of sequittal without any evidence in rebuttal, on the ground that the only inculpating evidence was the uncorroborating testimony of the self-confessed perjurer. Judge Barrett, however, declined to go to that extent, although he said wilson's evidence would need corroborating, in order to justify the jury in convicting.

Wassington, January 26.—The bill divided introduced in the House to-day, by Mr. Swinburne, of New York, declaring the Swinburne, of New York, decaring the silver dollar a legal tender, makes all standard dollars beretofore coined, tecal tender, and directs the Socretary of the Treasury forecognize the coined silver dollar of 412% grains as equal in value to the gold dollar, in the payment of all claims against or due the government.

In the Cabinet.

Washington, January 26,-The Cabinet meeting to-day was attended by all General, who is suffering from a cold.

The session lasted about three hours, the principal part of which time was devoted to considering the action of the Senate in executive session yester day in making the tormal "demand" of the Attorney-General for copies of all the papers in his department relating to the recent change in the office of United States attorney for the southern district of Alabama. A general discussion ensued, and showed a slight division of sentament as to the proper policy to be adopted by the President in this particular case, which is generally regarded is an issue, and the action of which will necessarily establish a precedent. There was no action taken on the general proposition of compliance or non-compliance with the wishes of the Senate and the exact form of answer to be made to the communication from the Senate was left open for further consideration.

San Francisco, January 26.—The Custom House officials seized 600 pounds of prepared opium, valued at \$11,600, of prepared optim, valued at \$11,000, on the Pacific Mail dook to-day. It was packed in fourthen cases, part of them resembling tea chasts and part Chinese oil cases, and was brought here on the Pacific Mail steamship City of New Pock, which arrived on Sunday last. The packages were marked "P I," and were not entered on the ship's manifest. The discovery of the last fact led to the senure.

The End of the World

Speculations about the probable date of the World's destruction are stitute. When a man dies that's the end of the world to him; and if the reader of this paragraph is troibled with a bad cough, cold or sore throat, or difficulty of breathing, hoarseness or any affection of the bronchial tubes, the best thing he can do is to postpous the fatal event indefinitely by a prompt resort to Hale's House of Herchand and Tar, which will assuredly present the complaint from terminating in consumption, and soon restore his respiratory system to a vigorous condition. Solid by Druggisje everywhere at 50 cents and \$1. Large size much the cheapest.
